

# DT 990 PRO

Limited Edition Black

Dynamic Headphones

80  $\Omega$  version

250  $\Omega$  version

## FEATURES

- Open diffuse field studio headphones
- Robust spring steel headband
- Single-sided cable
- Soft headband pad
- Gold plated mini stereo jack plug (3.5 mm) & 1/4" adapter (6.35 mm)

## APPLICATIONS

The DT 990 PRO Limited Edition Black is an open headphone, which is especially suitable for studio applications.

Its reduced diaphragm mass means exceptional impulse response, resulting in an excellent reproduction quality.

Its robust spring steel headband provides a secure fit and withstands all the stresses and strains of everyday studio use.

Soft headband and ear pads ensure a high level of comfort. The single-sided cable makes it easier to handle the headphones when they have to be constantly put on and taken off.
