- Outer storage pocket giving you quick and easy access to your playlist on-the-go
- Dimensions 190 x 135 x 50mm

The image features a dynamic, multi-colored powder explosion against a white background. The colors include bright yellow, orange, red, pink, purple, and blue, all radiating from a central point. The powder particles are captured in mid-air, creating a sense of movement and energy. In the center of this colorful burst, the lowercase letters 'ifn' are printed in a clean, white, serif typeface. The 'i' has a distinct dot, and the 'f' and 'n' are connected at the base. The overall composition is balanced and visually striking due to the contrast between the vibrant colors and the white text and background.
